

# **Document Management Policy and Procedures**

# **Purpose**

The purpose of this policy is to document the principles for the management of official documents by Glen Eira U3A.

## **Definitions**

#### Glen Eira U3A Official Documents

Official documents include:

- Materials to be kept by law or under our Rules
- Committee papers
- Contractual agreements
- Annual and financial reports
- Official publications
- Operational procedures
- Official correspondence
- Manuals or handbooks
- Forms and templates
- Key images, video and sound recording relevant to U3A and its history

Working drafts and notes, and supplier accounts do not constitute official documents.

Membership details, course descriptions and enrolments, and payment details are held in the membership administration system. Financial reports are produced separately using relevant software.

# **Policy**

#### **Electronic documents**

Glen Eira U3A will maintain all official documents in electronic form.

All official documents that originate on paper will be converted to electronic format. Once converted, original paper copies may be destroyed, unless required for legal purposes. When the paper copy is maintained, the electronic copy should record the location of the paper copy.

### **Centralised Electronic Repository**

Glen Eira U3A will maintain all official electronic documents in a centralised electronic repository.

Initially Google Drive will be used as the electronic repository which will be stored in two drives: one for documents relating to governance by the management committee, and one for document required for the administration of Glen Eira U3A.

#### Access to documents

The repository will provide for edit, comment or view permissions to authorised users.

Members of the committee will have view access to all documents.

Authorised administrative staff will have access to view administrative documents.

Document authorisers will have edit, comment and view permission.

#### **Document Authorisation**

All documents added to the repository must be authorised by an approved document authoriser.

The following officers are authorised to add documents to the centralised repository:

- President
- Vice President
- Secretary
- Treasurer
- Authorised document management officers

### **Document retention**

Official documents will be retained for periods specified by legislation or committee policies or decisions. The default retention period will be seven years.

## **Procedures**

#### **Document title**

The author may determine the title of the document in any format.

## **Electronic document naming conventions**

Where relevant, documents should be electronically named in the following format:

# YYYYMMDDdescriptionV0.1

The version number should follow the following conventions:

V0.1	First draft
V0.2	Second draft
V1.0	Approved version issued
V1.1	Minor revision
V2.0	Approved version issued

The electronic document name should appear in the footer of the document.

#### File structure

The secretary will approve the high level file structure and monitor practice from time to time.

Initially the high level structure will be as indicated in Attachment A. Glen Eira U3A Document Management Policy and Procedures March 2017
